

The National Institute of Financial Studies (NIFS) is a leading provider of financial education with an outstanding reputation for practical, comprehensive and innovative seminars and courses.

As one of Australia's largest private trading and investment training organisations, NIFS provides individuals with the know-how and skill to successfully navigate the financial sector and make the most of their investment outcomes.

- Accredited and non-accredited courses
- Registered Training Organisation
- Nationally qualified presenters and assessors

NIFS comes under the umbrella of the Entello Group - an independent financial services company geared to helping Australians increase their personal wealth and achieve financial security through education and support.

Our goal is to provide the expertise, tools and support to enable our clients to take control of their own financial destiny.

The **Economic Update** workshop provides you with the education and information you need to make informed investment decisions.

Topics covered during the workshop include:

- The Economic Clock
- Interest Rate Movements
- Property Market Performance
- Share Market Opportunities
- The Current Next Economic Cycle

You will learn about the economic clock and what potential interest rate movements mean for your investments.

The current performance of the residential, rural and commercial property market will be analysed to provide you with the latest statistical information to increase your investment opportunities.

You will also be provided with key performance indicators for various market sectors and statistics to help guide your share market investment strategy.

The workshop will cover the current economic cycle with strategies geared to maximising your returns.

Who can benefit from the Economic Update Workshop?

Anyone who wants to increase their financial knowledge with the aim of making informed investment decisions.

How can I attend a workshop?

You can attend a workshop online as a webinar or live as a seminar in a location near you. If you can't find an event that suits you, contact our staff to discuss a personalised training solution.

How much does the workshop cost?

The cost of the program is \$165 (inc. GST) for a seminar and \$55 (inc. GST) for a webinar.

How long is the workshop?

The seminar is generally conducted from 6pm - 9.30pm and webinars run from 6pm to 7pm.

What will I receive at the workshop?

You will receive presentation materials for future reference.

Tea, coffee and biscuits will be provided at the seminar.

What happens if I can't attend?

If your plans change, contact our staff to make alternative arrangements.

If you miss a webinar, you will have access to a recording following the event.

Where can I get more information?

See website www.entellogroup.com.au for more information and to register for a seminar near you.
